VISA CREDIT CARDS

Don't have a VISA card?? Call us! A VISA card is a convenient necessity these days, whether for you or for your college-bound child. You control the limit for your child with a secured card, and this helps them learn to budget.

Starting rates on VISA cards are as low as 9.99% !

The application is on our web site or you can pick one up in the office. Call one of our loan officers if you have questions.

If you are not using our mobile banking app, you are missing out!! Get started now by logging into our web site or download the app from your phone's APP store.

With this app, you can transfer funds between your accounts, set up alerts and notifications so you are aware of every transaction to help you keep you money safe. Also you're able to check statements, order checks, access your credit card account, and even apply for a loan. All at a moment's notice! Try it, you'll like it!!

AUTO LOANS

We STILL have GREAT LOW rates!!

As low as 1.99%* on new autos.

We can help you get the auto you want for a price that is right for you.

AND you can start the loan application online!

The **MoneyPass** network keeps you connected. We all want convenient access to our money. MoneyPass gives you:

- Access to 37,000 surcharge-free MoneyPass ATMs across the country
- Easy-to-use online and app ATM locators

www.moneypass.com/atm-locator.html

Protect yourself with the CardValet app. This app allows you to monitor and control your debit card

You can control how and where your card is used and also lock if misplaced:

- Types of stores
- Temporarily disable your card if you misplace it, or just want to lock it for a time.
- Geographic locations
- Set spending limits
- Transaction types
